## Georgia McDonald - Activist of the Year!

Georgia said 'I'm very humbled, thank you so much for the recognition. Everyone of the reps, unison members, the branch/union officials have been amazing throughout/after the dispute and we wouldn't have come out the other side without everyone's support, solidarity and unity. I've learnt so much the past 12 months plus and appreciate all the opportunities from Knowsley Branch.

I said not so long ago between going to school, working different jobs over the years etc, I've never felt as accepted and like I belong somewhere as I do being a part of this branch, so thank you all again'
